

Events of the Bulgarian Naval Confederation (BNC) 2023

1. Participation in the Executive Committee (EC)'2023 of IMC.
2. In September 2022, the Union of Reserve Officers "Atlantic" and the Bulgarian Naval Confederation, with the financial support of the Ministry of Defense, held a conference on the topic of "Strategies for the Development of the Bulgarian Navy" in the Planetarium of the Naval Academy in Varna. The conference was attended by the Commander of the Bulgarian Navy, Rear Admiral Kiril Mikhailov, the Head of the Naval Academy, Rear Admiral Boyan Mednikarov, the Mayor of Varna, Mr. Ivan Portnih, active and reserve military personnel, cadets and students. The conference was held with great interest.

3. Organization and implementation of a large-scale military-historical reconstruction on the occasion of the 120th anniversary of the Ilinden-Preobrazhenie Uprising - a glorious page from the struggles of the Bulgarian people for national unification!
4. Participation in celebrations of round anniversaries and holidays jointly with the Ministry of Defense and the Command of the Naval Forces.

Planned events of the BMC for 2024

1. Conducting an International Conference of the Union of Reserve Officers "Atlantic" and the Bulgarian Naval Confederation, with the assistance of the International Maritime Confederation (IMC) on the topic: "Maritime security in the Black Sea region" (MSBSR). Planned for September 2024 in the city of Varna.
2. Participation in an international maritime camp for cadets under the auspices of the International Maritime Confederation (IMC).
3. Participation in the Executive Committee (EC)'2024 of IMC.
4. Participation in celebrations of round anniversaries and holidays jointly with the Ministry of Defense and the Command of the Naval Forces.
