

AOR „ATLANTIC“AWARDED YOUNG BULGARIAN TALENTS IN THE FIELD OF INFORMATICS

On August 19, 2011 the Managing Board of the Association of the Officers in the Reserve “Atlantic” (AORA) awarded young Bulgarian talents in the field of Informatics, participants in a training course on “Cyber security”, organized during the period: August 17-19, 2011 in Varna city. The lectures were given by Assoc. Prof. Dr. Zlatogor Minchev, AORA Managing Board Member and Director “IT and Cyber security”.

The training course is a part of the activities of the International Network of Excellence “SySSec – A European Network of Excellence in Managing Threats and Vulnerabilities in the Future Internet: Europe for the World”, funded by the EC FP 7.

The event has been organized in the framework of “XI Summer School on Mathematics and Informatics – LISH’11”, sponsored by: America for Bulgaria Foundation, Union of Bulgarian Mathematicians, Evrika Foundation, St. Cyril and St. Methodius International Foundation and Institute of Mathematics and Informatics – Bulgarian Academy of Sciences.

The course programme also included a visit at the “Nikola Vaptsarov” Naval Academy.

After the course successful finishing, AORA Managing Board represented by Assoc. Prof. Dr. Zlatogor Minchev and AORA, Varna Club Chairman – Nav. Capt. III rank (Ret.) Eng. Ivan Gotsev awarded the participants with diplomas and the book “SAS SURVIVAL – Part III: How to Survive Anything, Anywhere: A Handbook of Survival Skills for Every Scenario and Environment”.
